## INSTRUCTIONAL TEAMS HALLOWEEN TOURNAMENT VOLUNTEER SIGN UP FORM

Dear Instructional Team Coach,

As many you know each year we host a travel team tournament, which acts as the single largest fund raising event for the club. Our instructional teams are big recipients of the benefits of this event by reduced registration fees and an ongoing commitment to training and equipment. The funds raised at this event allow the club to provide the Instructional Spring Festival, lights for fall practices, etc... This successful event requires the dedication of many volunteers to ensure its success. At this time we will require **each Instructional team to provide a minimum of 2 volunteers** to help out on either of the above tournament dates. This flexible schedule should permit parent's ample opportunities to help out the club. As an added bonus, teams that supply 6 or more tournament volunteers will have a \$75 contribution made towards their customary team party and/or trophies at the end of the season.

Please get your list to me no later than Wednesday, September 21, 2011. PLEASE PRINT.

Many thanks,  
 Martin Ertl  
 Tournament Director
