- Complete the front of the blank secondary player pass. Attach the player's photo to the back of the pass and have it signed. Leave the Secondary Pass No blank.
- Complete this form and obtain all signatures except the Secondary League Official and your club's District Commissioner.
- Deliver the pass, this form and a copy of the player's primary pass, front and back, to the Secondary League official designated by your league. That person will sign the form. **Only** that person can sign this form.
- The secondary league officials designated by the leagues that permit secondary carding and who will sign the form are as follows:

You will also need to present a new medical release to the District Commissioner and follow any other rules and submit any other paperwork that your league requires to secondarily card a player. He/she will then stamp, date and sign the back of the pass and the form.
- The District Commissioner will give you the completed pass and a copy of the secondary ad form.
- Note for Teams Playing in State Cup: Your team may not participate in NJYS State Cup or National Championship competition including the Regional Premier League if you have a secondary player on your roster.
- Note: A secondary pass is valid only as long as the primary pass identified on the front of the secondary pass is valid.
